Dear Sir,

Refer to your below mail on the above subject, SAGE offers the award-winning online research tool [SAGE Research Methods](#), Trial Access for 1 months (From now to January 08, 2015) time period.

We urge you to circulate/share this announcement with your Faculty and students.

Access to this platform is through the IP Range of your University, In case you do not have these please contact me at [souvik.mazumder@sagepub.in](mailto:souvik.mazumder@sagepub.in). Please let us know how SAGE can provide any further support/assistance to help enhance your user experience of this platform.

Please click on the following user training videos for your ready reference.

We have prepared [SAGE Research Methods flyers](#) for your valued users and requesting you to please upload the same to your Library Portal.

A research methods tool created to help researchers, faculty and students with their research projects. [SAGE Research Methods](#) links over 175,000 pages of SAGE's renowned book, journal and reference content with truly advanced search and discovery tools.

We are attaching herewith the Complete List of SAGE Research Methods Titles for your ready reference.

**Don't miss out on providing your students with this authoritative and award-winning content!**

# SAGE researchmethods

The essential online resource for researchers

**Are you planning and conducting research with a view to publication?  
Do you supervise students doing research projects and dissertations?  
Do you teach courses in research methods or statistics?**

**From the world's leading methods publisher . . .**

If so, **SAGE Research Methods** is an essential tool for you and your students. **SAGE Research Methods** is an innovative online research resource created to help you and your students design and conduct research projects, understand new methods, and write up the findings.

**SAGE Research Methods** can also be used as a rich companion resource supplementing your methods textbook.

## What does SAGE Research Methods do?

### Student Research

- Essential supplementary support for course learning and for students doing dissertations and research projects
- **Thousands of pages of content**, covering hundreds of methodological approaches, help students at every step of their project

- **Concise author videos** can answer basic questions like “How do I choose between different research methods?” and “What do you mean by the term ‘ethnography’?”

### Faculty Research

- Critical support in learning new techniques and methods
- Provides crucial resources to help faculty write up their methodology for publication in the best research journals
- Provides in-depth understanding of advanced methods and includes online access to the complete **Quantitative Applications in the Social Sciences (QASS)** series, also known as “The Little Green Books,” as well as the **Qualitative Research Methods Series (QRMS)**, or “The Little Blue Books”

### Librarians and Information Literacy

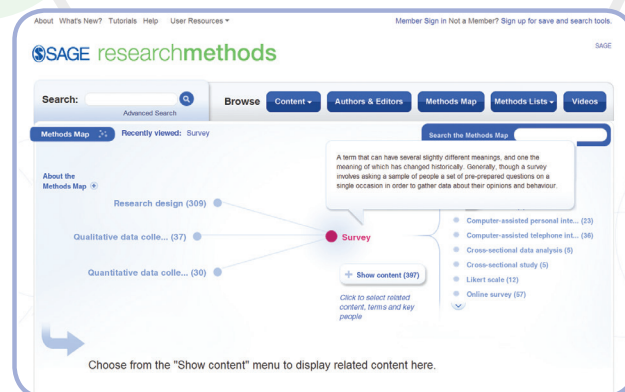

- Helps librarians teach information literacy, research skills, literature review, and writing by providing real-world examples
- Includes **reliable authoritative descriptions** of how to conduct research from beginning to end

### Teaching Research Methods

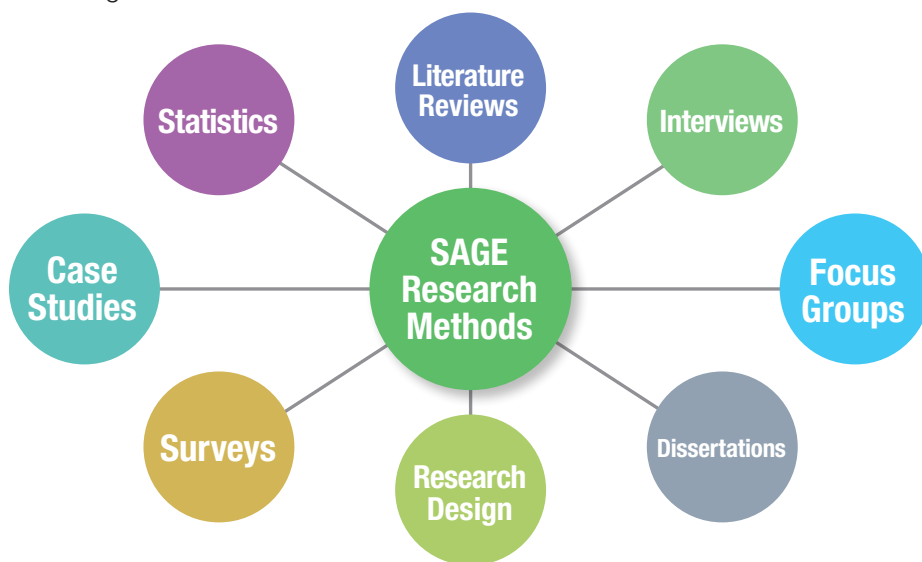

- Perfect complement to coursework and traditional textbooks in research methods courses for Business, Communications, Criminology, Education, Health Sciences, Psychology, Political Science, Social Work, and Sociology
- **Sample assignments** help students easily connect to concepts
- Aids faculty who oversee research papers and theses requiring original research

# SAGE Research Methods Content and Features

- Over **175,000 pages** of SAGE's renowned book, journal, and reference content in research methods, including 458 books, 58 reference works, 302 journal articles, and all 219 titles in the QASS and QRMS series, plus 26 videos
- Advanced search and discovery tools support browsing and discovery of material
- The **Methods Map** is a visual search tool supported by a unique custom-designed taxonomy of 750+ research methods terms, methodologies, and people in the field that displays how terms are related and can help to suggest concepts that users may not have thought of on their own
- Methods Lists can be used to compile selected books, book chapters, and journal articles for later review or to share with colleagues
- The complete **Quantitative Applications in the Social Sciences** series ("The Little Green Books") and **Qualitative Research Methods Series** ("The Little Blue Books") are available online in full-text format
- Utilize suggested related methods and links to related authors from **SAGE Research Methods'** robust library and unique features
- Explore how methods are used in real research by linking to online journal content with the **SAGE Journals** widget
- View specially commissioned videos—now with closed captions and full transcript—about research methods with some of SAGE's top authors
